## Sažetak

Epska avantura u ludilo, ovaj niz alternativne povijesti kratkih priča, istražuje lanci koji vežu ljudskog duha za ponavljanje opstanka.

~~~

Informacije sama drži bez istine u sebi, dok dio cjeline previdjeti, ignorira ili ukloniti, čak i gdje-nakon što je očito mogu shvatiti, prihvaćen ili odbijen.

Sjedinjene Države i Sovjetski Savez, podijeljen perspektive, ali ujedinjeni u borbi, naći na kraju jednoga rata početkom sljedeće, a tiskana je riječ ožujak prema krajnji snage, pod uvjetom da samo udaljenosti ga mogu pokriti.

## Predgovor – Hrvatski

**U**z takva apsolutna istina što mi lutaju, u vidu, u tijelu, u duhu, slobodni smo popuštati između stvarnosti i snova u potrazi za preživljavanje dostojan naše sposobnosti. Do stvarnosti, ili što god odriješiš konstruirati takve se nalazimo zahvatila je, vuče nas natrag u sasvim-bunca ovdje i sada, prema teret i obvezu kroz ispunjenje i borbu testovi naše snove za istinom.

Možda istina nije ono što smo sanjali je, riječima i njihovim obvezno osjećaji oblak naše definicije više zajedničkih pojmova. Tko je čak i među vama govore ironija riječ bez ironičan? U svijetu, gdje naši najčešća uporaba takvih ispada da je njegova jedina definicija, mi borbe, u šali time tako slučajno smiješni, da opstane među onoga što se smije s našim istinama kao što je smijeh u naše snove, a ne niti na bilo s ovim Fragmenti Zemlja.

### Zapaliti

- Boem Čehoslovačka, 4. svibanj 1945 -

“**N**e, on je kraći, tamne kose, američka vojska uniformi.”

“Oh, odaberite riječi mudriji. Na taj način,” moj frenetičan pretraživanje slijedio prst prijedlog u jezivo lit tunela.

“Američki?” odgovori sljedeći Časnik, “žive ili mrtve?”

“Živjeti!” Sam inzistirao.

“Do stepenice podovi desetak, ako žuri.”

“Svatko je važno,” odgovorio je znamenka

na vrhu, “dolazi od oko te kutu nalazi,” kako sam ga okrenuo.

~~~

Know alone hold no truth with-in it-self, until part of it whole is over-look, ignore or remove, where-after even the clear can be under-stood, accept or deny.

The United States, and the Soviet Union, divide by view but united in battle, find at the end of one war the begin of the next; the print word march to ultimate power, provide only by the distant it could cover.

## Preface – Simple English

**W**ith no such absolute as truth we move; in mind, in body, in spirit, we are free to lost between real and dream in search of a survive worth of our worth. Until real, or what-ever loose idea of such we find our-self trap by, pull us back into the crazy here and now, to bad and commit through fulfill and struggle it test our dream for truth.

Maybe truth was not what we had dream it was; word and their need feel often cloud our make of the more common idea. Who even among you speak the word irony without be irony? In a world, where our most common use of such turn out to be it only make, do we struggle, in a joke there-by so same humor, to survive, among that which laugh with our truth as it laugh at our dream, while never not each one do to either with this Fragment Earth.

## Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
